❧ AZTEC, NM ❧

Sutherland Farms is a family owned and operated produce farm, retail market, pumpkin patch and agri-entertainment business located just north of Aztec, NM and south of Durango, Co. in the beautiful Animas River Valley.

Three generations of the Sutherland Family are involved in the day to day operation of the farm.

The business that began in 1993 with wholesale produce sales and has evolved into selling all the farm produce directly to our retail customers, hosting families for festivals and a pumpkin patch in October.
