

The Bunker at Battle Rock

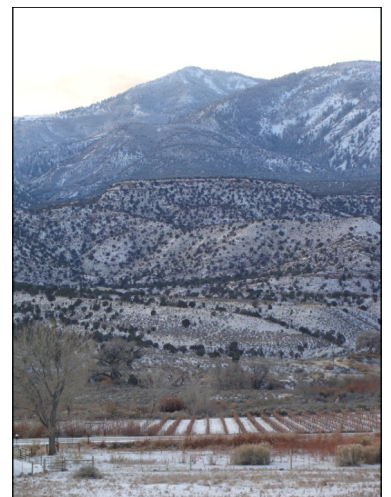

Your stay at the Bunker

Stunning views—grand but intimate—with miles of hiking/biking/riding trails out our back gate into Canyons of the Ancients National Monument. Temperate high desert climate, vineyards, orchards and irrigated farmland set among red rock hoodoos in McElmo Canyon. Close to SE Utah (12 miles), Four Corners (55 miles), Cortez (15 miles), Durango (60 miles), Telluride (90 miles), with striking expanses of Ute Mountain Ute and Navajo Nation reservation lands nearby.
