Find Your Way

map not to scale

From the Puye Cliffs Welcome Center, you will experience the seven mile Puye Cliffs Scenic

Byway. As you drive to the Harvey House you will notice changes in temperature, plant and animal life as well as scenic landscapes as you reach an elevation of approximately 7000 ft.

On your journey to Puye, please take a few moments to stop at the Puye Cliffs Scenic Byway Overlook. The opportunity to take pictures of the spectacular panoramic views and to read interpretation of the scenery is provided at the Overlook.
