

Weddings

The Bar W on Spencer Lake in Whitefish, Montana congratulates you on your engagement. We would love for you to have your ceremony and reception with us.

The Bar W facilities blend elegance with western informality complimenting the western hospitality you'll receive from the moment you arrive until long after you have left. Our grounds lend plenty of opportunity with ponds, lush green lawns, spectacular views and a variety of facilities – all providing you with the flexibility to make your special day one you will remember for a lifetime.

We have lodging for up to 38 guests in a family style arrangement between the 6,200 sq.ft. lodge and cabin suites and there are plenty of rooms available just 1.5 miles down the road.

You'll feel secluded in our serene location and yet you are just a few minutes away from the very cool resort town of Whitefish.

If you want us to help you plan and cater the event we'll have some suggestions that have worked well for our past brides and grooms.

Some wedding parties stay here at the ranch, some have just the wedding party stay with us, and some just make use of our beautiful location and facilities.

Others want to have the rehearsal dinner and/or Sunday brunch here – we'll work with you to figure it out.

We have hosted weddings from 10 people to 300+. There are many options and packages available so give us a call to plan which one best meets your needs. If you want us to recommend an incredible local planner we have a couple you can choose from.

And again, congratulations!
