This is a training position, not a camper program. In addition to registering online, candidates must apply directly to PEEC through the Assistant Camp Manager. *Applications must be received by June 5 to be considered.*

Behavioral Expectations and Policy

Each year we look forward to having campers who are ready to learn and be active adventurers in our camp curriculum. All campers and parents must agree to PEEC's behavioral policies in order to attend camp. Our rules are based on respect for the safety and well-being of the PEEC community. Campers and parents may not physically or emotionally endanger themselves, other campers, staff, or other people. Stealing, damaging, or destroying camper, staff, or PEEC property will result in the removal of camper from the program.
