

QUETICO COUNTRY HUNTS

BEAR HUNTS

Season opens August 15th annually
for residents and non-residents.

Bear - Hunt A

6 Days / 5 Nights

\$1250 US / Hunter

Hunters will camp at one of our remote campsites located on a lake or river system so that some fishing can be enjoyed when not hunting. This is a great hunt for those who like to be on their own and use ATVs to access their baits. Distance from main base can be 15 to 50 miles. Together, we will decide what suits you the best. Canoes, paddles, PFDs, extra bait, freezer service, skinning and showers at main base are provided. Guests are responsible for transportation to and from baits.

Another option for this package is to rent a cabin at one of the fishing camps in the area. Prices vary for cabin rental. Arrangements will be made upon request. Boat rental is available at \$350 for 5 days or \$75 a day, gas included.

Bear - Hunt B

6 Days / 5 Nights

\$1695 US / Hunter

Hunters will stay at one of our drive-in cabins. There are two cabin locations to choose from. We have two cabins on Nym Lake located eight miles east of Atikokan. Cabins are fully furnished, electric fridge and stove, satellite television, propane barbecue, fish cookers and three-piece bathrooms.

If you are looking for a more rustic cabin location we have

three cabins at Price Creek. Cabins are spaced to give each group their privacy. Cabins have propane fridge and stove, solar lights, barbecue, fish cookers and outdoor privies. There is one main shower house for all cabins to share. Camp is located 30 miles west of Atikokan.

Boats, Yamaha outboards and mixed gas are provided with all Plan B Bear Hunts.

Bear - Fly-In Hunt

6 Days / 5 Nights

\$2395 US / Hunter

The fly-in is a great hunt for the experienced bear hunter, as hunters have to do their own skinning and meat preparation. Lakes are fly-in accessible only, which offers our guests a remote wilderness experience. Cabins have propane fridge, stove, barbecue, fish cooker, solar lights, hot and cold running water with showers and outdoor privies. Boats, Yamaha motors, mixed gas, flights in and out, flying out of bear and freezer service are provided. Hunters are limited to 200 lbs. of gear each.

Bear - Guided Hunt

6 Days / 5 Nights

\$2895 US / Hunter

For the guided hunt, hunters will be dropped off and picked up each morning/night to hunt. Guides will also run extra baits and check cameras. Suppers will be ready for hunters when they return from hunting. Meal planning will be done in advance of hunt to meet group approval. Price includes guides, transportation to and from baits, suppers, groceries for lunches and breakfasts, cabin, boats, Yamaha motors and gas.

Skinning, meat preparation, freezer service, all the bait you

need and quality service are provided for all our Bear Hunts. Guests are responsible for their baits and picking up any garbage they put out, as well as transportation to

Bear / Wolf - Combo Hunt

\$2895 US / Hunter

This hunt is only available from September 15 through September 22. Hunters will stay at our Price Creek camp. You will be trip-planned upon arrival, brought to our Price Creek Camp and shown your bait sites. Some bear baits have regular wolf activity and other sites will be set up as wolf baits only.

MOOSE HUNTS

Archery moose season opens September 19, 2015.

Rifle moose season opens October 10, 2015 for Ontario residents and October 12, 2015 for non residents.
