7,000 acres

of pristine wilderness

Lodging

Nestled in the mountain setting, our 3 lodges feature 26 rooms ranging from standard bed rooms to deluxe suites with king size beds, private decks, soaker tubs and showers.

Our Spa

Embracing our environment and mountain culture, the Spa at Island Lake promotes inner and outer wellness for women and men. The Spa features six treatment rooms, a couple's wellness room with a deep Japanese soaking tub and relaxation rooms. Take time before and after your treatment in our outdoor room with a soak in the hot tub and cool spring shower. Join us for morning yoga in our fitness room. Replenish your health, discover balance, and awaken your senses.

Exploring

Walk or hike our 7,000 acres of pristine wilderness and renew your spirit with excitement and discovery. Island Lake will help you reach your goal, whether it be a 30 minute stroll around an alpine lake or a full day hike to a mountain summit. There are a multitude of hikes to suit all ages and abilities. Enjoy the day with a professional guide or on your own with our detailed trail map.

The Dining

We welcome you to savour the fine dining in our Ancient Timbers restaurant. Our culinary team sources international influences and uses top quality ingredients from local and organic farmers to create an unforgettable dining experience. Our dishes are brilliantly matched with an extensive and eclectic wine list from our 3,000 bottle wine library. Lunch and tapas are served on the patio of the Bear Lodge offering majestic views from every table.
