

Camping **Get back to Nature...**

Camping in Old Orchard Beach is camping at its finest and has always been a favorite option for visitors throughout the years.

Our area campgrounds offer everything from tent sites that are a quick walk to the beach, to full-service resort-style camping with multiple pools, miniature golf courses, activities, boating, entertainment buildings, jacuzzis, playgrounds, movies, hayrides, fishing ponds, tennis courts, and even some on-site waterslides. Many camping resorts also rent their own travel trailers, park homes and cabins. These camping resorts also high tech with most offering WiFi and Internet access.
