## State of Maine Snowmobile Registration

The Department of Inland Fisheries and Wildlife is pleased to offer an online registration application for snowmobiles. The online process is easy and payment by credit card is quick and secure. Once you complete this application, IF&W will need to process the registration. You will receive your official registration in the mail.

Snowmobile registrations are valid from July 1st through June 30th of the following year.

**Reminder:** Your information will be verified by IF&W before your new registration will be issued. As a result, this application will not print out a temporary registration at the end of this online process. However, following your transaction, you will receive a confirmation page to print for immediate use. Your official registration and stickers will arrive at the shipping address specified within 30 days.

**Who can use this service?**  
- Maine residents renewing a snowmobile registration. New registrations must be done through a registration agent or the IF&W main office in Augusta.  
- Non-residents may register snowmobiles online.

**What you will need:**  
- Registered Owner information  
- Vehicle Information  
- Credit/debit card (MasterCard, Visa)

## Ride Safe. Stay Right. Slow Down. Stay in Control.

**Respect Landowners**  
The majority of snowmobile trails are located on privately owned land. Please respect the land and stay on the marked trails, observing all snowmobile laws and carrying out any and all litter.

This is a general information map only. Trails and trail conditions may change daily. Please stay on marked trails and respect landowner's property. Always yield for trail grooming equipment which may be encountered day or night. Property damage accidents (\$1,000 or more) must be reported within 72 hours using a form provided by the Maine Department of Inland Fisheries and Wildlife, available at [www.maine.gov/ifw](http://www.maine.gov/ifw).

This publication was derived from the trail information that has been collected from local snowmobile clubs. Since trails may change frequently for many reasons, or may be shown inaccurately on the map, this guide is not intended for navigation, but for general information.

Users of this publication shall hold publisher, supporting clubs, advertisers, property owners or any other parties who contributed to this publication harmless for any physical injury or property damage incurred through the use of these trails. Said parties accept absolutely no responsibility as to whether trails are open or the condition of the trails.

Please contact local snowmobiling clubs for more detailed information about the trail system. Errors, omissions and changes brought to our attention are appreciated and will be adjusted on the next publication.
