

First-Class, Intimate, Unique Adventure Tours of the Southern Maine Coast, Where Everyone gets a Front Row Seat!

THE BEST OF CASCO BAY

Depart with us from bustling Portland Harbor as we tour one of Maine's most picturesque boating destinations. Casco Bay is littered with islands, historic forts, wildlife, birds, and lighthouses and our unique 14-passenger RIB boat is suited to tour the region while everyone gets a front-row seat so you can see and experience more of it.

Learn about Portland's nautical history, view wildlife like seals, harbor porpoises, and sea birds, and stop for photos at quintessential sights like all four lighthouses, Fort Gorges, seals, and the working waterfront while also escaping to lesser-known areas of the bay where wildlife viewing is the best. This is a unique tour that is unmatched in the breadth of its experience with a local captain to guide you and answer your questions about the region.

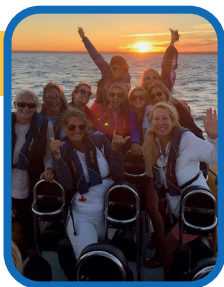

MERE POINT OYSTER FARM TOUR

Along the way we will cruise through some of Casco Bay's less visited waters for great wildlife viewing before arriving at Mere Point Oyster Farm. The tour will include a shucking demonstration, a tour by boat of the farm, opportunities to watch the crew at

work tumbling and sorting oysters as well as 6 included samples to slurp down! This is a great way to combine a scenic boat ride with a first-hand experience of one of Maine's burgeoning sustainable fisheries. Seats are limited and sell out quickly so book while you can!

SMALL GROUP ADULT-ONLY SUNSET ADVENTURE

Grab your favorite adult beverage and join us on an adults-only, intimate, sunset adventure that you won't soon forget!
