

TECH WEEK AT THE MAINE STATE MUSEUM!

SCHOOL VACATION WEEK

TUESDAY, FEBRUARY 20 THROUGH FRIDAY, FEBRUARY 23,

Explore the technology of World War I with hands-on activities at the Maine State Museum! Learn how codes were used in the trenches, the science behind periscopes, and try your hand at making the best flying paper airplane. See it all in action in **Over There and Down Home: Mainers and World War I.**
