About 16 Bay View

16 Bay View is the transformation of an early 20th century industrial brick building into a one-of-a-kind, 21-room luxury boutique hotel. Located on Bay View Street, amid a thriving shopping district full of galleries, fine restaurants and boutiques, just steps from Camden Harbor, we have created something special. 16 Bay View's unparalleled 4-Diamond Award service and world-class amenities, combined with our premier downtown location, are the perfect ingredients to create a stay unlike any other in Camden.

Guest rooms and suites feature ornamental iron balconies, gas fireplaces, deep soaking pedestal tubs, separate glass and marble showers with European body jets, high thread count sheets and plush terry towels, and many more luxurious amenities. 16 Bay View also features "The View", an exclusive rooftop bar and terrace, and "Vintage Room", a warm and cozy lobby bar and small plates venue.
