

Cedar Shake Bungalow

Located at scenic Bar Harbor, Maine, USA

Welcome to the Cedar Shake Bungalow, our completely furnished single family cottage minutes from Acadia National Park.

Location Bar Harbor, Maine, Mt Desert Island, minutes to Acadia Nat'l. Park

Description The Cedar Shake Bungalow is a beautiful property. It has been in the family for generations and is newly renovated. The home sits back off the road with large windows in the front offering views of the foliage from the dining area and kitchen. As you enter the home a comfortable living room with fireplace awaits. This leads to the open and airy dining and a large newly remodeled kitchen with all the amenities. Behind the kitchen is a large family room complete with

TV. The two separate living areas are great with a group who wants to spread out, the kids with their games in the family room and the adults listening to music in the living area. Also on the main floor is the master bedroom with a queen and newly appointed bathroom as well as the laundry room. Upstairs are three bedrooms, one with a queen and two with doubles and a bath. Doors lead out to an outside sitting area with a fire pit and gas BBQ. There is plenty of parking at the property as well as a play yard for kid. Hadley Beach, a sand beach, is 1 mile. We are 12 minutes from Bar Harbor (8 miles) with its shopping and restaurants, so this area is easily accessible but not a bother. We are also 10 minutes to the entrance to Acadia National Park, with plenty of bike trails and hiking. There is also easy access to the “quiet side” of the Island for visits to Southwest Harbor, Northeast Harbor, and the Bass Harbor lighthouse. Owners are local and very responsive to issues. Island Explorer stops in front of home.
