

TRIP IDEA:	LOBSTER	Stonington DownEast & Acadia Region	Maine
-------------------	---------	---------------------------------------	--------------

SUMMER THROUGH EARLY FALL

MORNING

Begin the day with a hearty breakfast at **The Harbor Café**, a favorite of the locals.

MIDDAY

Take the ferry to Isle au Haut aboard **The Mail Boat**. You will travel through some of the most beautiful islands along the Maine Coast. The Stonington archipelago is breathtaking! There are bike rentals on the island, and a well- marked trail system for hiking. All season long, **The Maine Lobster Lady** serves up award winning lobster rolls out of her food truck. Absolutely delicious, and the setting is all Maine!

OR

Book a Lobster Fishing Scenic Tour on The Mail Boat. Either trip will provide a top-notch experience in this quintessential fishing village.

Kick back with a coffee at **44 North Coffee**, (On your way off island, be sure to stop in Deer Isle where they roast the beans in a historic schoolhouse). Or treat yourself to a yummy cone at Stonington Ice Cream Company. Both are located on Main Street.

EVENING

Stay at the **Inn on the Harbor**. Ask for a harbor facing room and get a close look at the goings on in this small but mighty fishing village.

Splurge at **Aragosta**. Try the lobster cakes or lobster tortellini! The views overlooking the harbor are hard to beat on a summer evening.

Local Tips:

Check out the **Stonington Farmer’s Market**. This is not your average market. Here you will find a blend of farmers, artists, fishermen, bakers and craftspeople. A must.

Explore Stonington and area islands in a guided sea kayak tour with **Old Quarry Ocean Adventures**.

Walk up the hill and see a show at the historic **Opera House Arts**.

Stop for chocolate at **Black Dinah** in downtown Blue Hill.
