## Sea Kayaking

### Come enjoy a day of sun and fun paddling

along Maine's rocky, scenic coast. Maine's coast has a rich history and tradition that is best experienced from the water. Watch lobsterman setting traps, paddle among old shipwrecks, or enjoy a stop at one of Maine's many charming, uninhabited islands—truly jewels of the sea. Maine Kayak takes full advantage of sea kayaking locations that are both scenic and convenient vacation destinations for many Maine visitors such as Muscongus Bay and Johns Bay. (Penobscot Bay and Casco Bay trips available on request.) Sea kayaking Maine's coast with seals, ospreys, puffins and whales with friends makes life long memories.
