# TOGETHER

## WE CAN SAFELY BRING YOUR TEAM BACK TOGETHER

Because we know how difficult it has been to have all meetings and events virtually, we have a special offer for you! Reunite with your team and get back on track.

### Keeping You Safe

We will go above and beyond to make sure each guest feels 100% safe within our walls. Sanitizer, socially distant room setups, and more.

### Protection Plan

With the business climate so uncertain right now, we want to make sure you feel protected. Our cancellation policy is flexible.

### Smart Management

Our team of professionals will be here to guide you every step of the way, from menu selection to AV recommendations.

## Clients choose us!

We have the space, experience, and resources to make your meeting successful. Call us today to customize your next meeting or event at Holiday Inn By the Bay.
