Welcome to Agassiz Village!

Dear Parents,

We are committed to providing your child with a safe and enriching summer experience that incorporates Agassiz's values of integrity, confidence, respect and determination. Agassiz Village is a fun place for your child to meet new friends and learn new skills. What makes Agassiz so special is that your child will also benefit from learning social and emotional skills like decision making, self-awareness and

self-regulation. Your child can attend up to 2 of the 3 two-week sessions we offer throughout the summer. Kids aged 8-17 participate in activities including archery, high & low ropes, swimming, canoeing, boating, arts & crafts, dance, sports and drama.

Your child means so much to us, so that's why we hire the most mature and caring staff who help to mentor your child in a safe environment. We focus on selecting, retaining and training the best staff to offer an energetic, fun and secure summer camp experience. You will also find that our staff are highly diverse from many different backgrounds, cultures and countries speaking various languages.

We look forward to seeing
your child at camp!

During the second two weeks teens are given hands on leadership building opportunities as they work alongside camp counselors.
