Our rustic off-grid cabins are available this summer and fall to book at Carter's in Bethel! They are also available in the winter, but many weekends are already booked so call today to make your reservation!

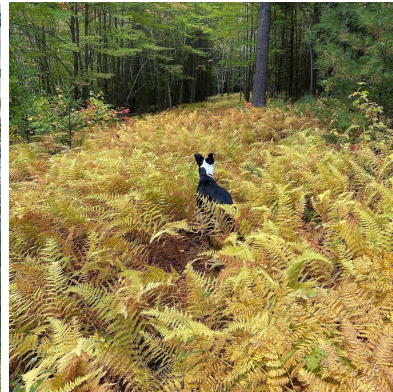

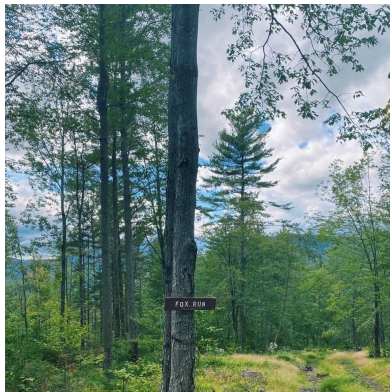

However this summer and fall we're offering a discount code through our HipCamp listing! This CODE: Z8QQLHZ1 will expire on October 31st! Take advantage of this discount code for fall rentals only!

There's so much to do in the Western Maine mountains in the summer! Our property is located right on the Androscoggin River, the cabins are all trail-side, making it fun for you and your friends or family to walk or mountain bike around and enjoy nature, not to mention all the surrounding mountain bike trails, hiking trails and swimming spots abound in the Bethel area! Bethel is also becoming a mecca for great restaurants and breweries! Come and get outside in Bethel this summer and fall!!!

Here's our listing on [HipCamp](#).

Again this is only good for summer and fall and if you want to book for this winter, you must call us directly at 207-824-3880! We look forward to seeing you soon!
