

THE FIREBRAND HOTEL

A BOUTIQUE HOTEL EXPERIENCE IN DOWNTOWN WHITEFISH

THE FIREBRAND HOTEL is located in the heart of downtown Whitefish, amidst shopping, dining and nightlife. In addition to the Firebrand Restaurant, over 20 restaurants and Whitefish's legendary bar scene are within a five-minute walk.

Downtown's covered sidewalks lead to a wide variety of boutique shops, art galleries and custom jewelers. The Firebrand is only five minutes from the Glacier Nordic Center, five minutes from The Lodge at Whitefish Lake, and 15 minutes from the ski slopes of Whitefish Mountain Resort.

The west entrance to Glacier National Park is just 30 minutes away by car.
