In the shadows of an industry dominated by mega pass ski areas, Whitefish Mountain Resort stands out. Discover, experience, and see for yourself.

#### DISCOVER WHITEFISH MOUNTAIN RESORT

Whitefish Mountain Resort is a truly independent ski destination that has eschewed the mega pass. *Powder Magazine* notes, “As nearly every major ski area in the U.S. participates with at least one of the major multi-resort passes...Whitefish is the last holdout. With 3,000 skiable acres, 300 inches of snow and a half million skiers visiting annually, Whitefish is the biggest ski area in the country that has stubbornly remained single.”

---

**“As skiing goes mass market,  
Whitefish’s throwback move just  
might be the future of skiing.”**

#### EXPERIENCE THE WHITEFISH COMMUNITY

Whitefish offers a welcoming, laid-back vibe—you’ll find genuine hospitality along with world-class dining, lively nightlife, eclectic shopping, galleries, theatre and more.

#### GETTING HERE IS EASY!

Whitefish is one of the closest mountain towns to a major airport. The newly-renovated Glacier Park International Airport is less than 15 miles from town. Additionally, between Averill shuttle service and the free S.N.O.W. Bus, navigating Whitefish is a breeze!
